TIPS FOR PARENTS

- Share your enjoyment of books with your child.
- Talk over your reading.
- Continue to read aloud to your child even after he or she reads independently.
- Encourage your child to choose a book to read aloud to someone else.
- Broaden your child's horizons by helping to select books from a wide range of subjects
- Encourage your child to read whatever he or she enjoys even if it appears to be too easy or too hard.
- Let your child see your enjoyment of your own reading.
- Find time for your child to visit and browse in libraries and bookstores

The Best Children's Books of the Year

2018 Edition / Books Published in 2017

Looking for just the right children's books?

Here—for parents, grandparents, relatives and friends, as well as for teachers and librarians—is the perfect guidebook. Each year, the Children's Book Committee issues an annotated guide to more than 600 children's books they consider the best publications of the prior year, in this case 2017.

The fiction listings are divided into sections by age and arranged by topic: adventure, animals, coming of age, folk and fairy tales, humor, science fiction, sports, and more. Another section lists information books and poetry titles, also arranged by topic.
